Description

Presented in Aruba Gold premium metallic with a Full Ebony Oxford Leather Interior.

We are delighted to offer this exceptionally well-maintained, high-specification Range Rover Vogue TDV6 4WD. Having had just two private owners from new, this vehicle was originally supplied by our sister dealership, Alexanders Prestige, to its second owner in September 2019. It has been meticulously serviced annually in line with Land Rover's manufacturer guidelines and has covered only 66,450 miles.

The vehicle is offered in outstanding condition, both cosmetically and mechanically. Its striking Aruba Gold premium metallic finish is complemented by a stealthy black exterior styling pack, giving it a refined yet commanding presence. Inside, the cabin is upholstered in supple Ebony Oxford leather and equipped with an array of modern features, including the advanced Pivi Pro infotainment system.

All cars come with a comprehensive platinum 6-month RAC warranty and the benefit of a 12-month roadside assist. Why not request a personal video of this car?
