Description

Finished in Ice White Metallic with a Leather Charcoal interior.

Our Volvo V40 Inscription D2 2.0 is presented in excellent condition, having covered just 25,000 miles, and comes complete with a Full Volvo Main Dealer Service History. As the top-of-the-range Inscription model, this is a much rarer alternative to the more common R-Design. With elegant chrome detailing, full leather upholstery and a comfort-focused suspension setup, it offers a refined, luxurious driving experience that's every bit the classic "gentleman's Volvo".

Powered by Volvo's superb 2.0-litre D2 diesel engine, it delivers outstanding fuel economy (56mpg combined), making it an ideal choice for both long-distance touring and everyday commuting. Inside, the car features the sought-after upgraded Sensus Navigation system with the larger touchscreen display, alongside Bluetooth, DAB radio and intuitive

multimedia controls.

All cars come with a comprehensive platinum 6-month RAC warranty and the benefit of a 12-month roadside assist. Why not request a personal video of this car?
