*PPF Disclaimer:

Paint protection film (PPF) or Wrap refers to a film that covers the paintwork of a vehicle, protecting the covered areas of paintwork of the car from stone chips, light scratches, etc or changing the colour. Some vehicles may come with pre-installed Paint Protection Film (PPF) or wrap. We do not provide any warranty on the film or its installation. Pre-installed PPF or wrap is sold as-is, and we are therefore not responsible for defects, peeling, discolouration, or any related issues. For PPF or wrap arranged for fitment by ourselves via our approved installers, warranty will be provided by the installer of the PPF or wrap. For all vehicles with PPF or wrap fitted, we highly recommend referring to the installer's correct aftercare procedure to maintain the condition of the PPF or wrap.
