The results of the FPM 375 kit include a power output of 375PS, 510N/M of Torque and 0.62 in 4.5 seconds. This kit also keeps the remainder of the manufactures warranty valid.

The car comes with the benefit and reassurance of a FULL FORD SERVICE HISTORY and the remainder of the manufactures warranty until September 2019. Having been

owned by a Ford enthusiast and member of the MK3 Focus RS club from new, we think this is the best MK3 RS available on the market today and has been incredibly well cherished! This RS also benefits from having the head gasket recall carried out and some very individual options fitted. Why not request a personal video on this vehicle?
